Houston, We Have a Global Solution!  
Karl Tebo

Houston, We have a Global Solution!

I am preparing My beloved city of Houston for an outpouring that I have appointed for this time and season of history. I have taken you through the crucible as I have been preparing My warriors for a time such as this! I have a unique call that has not been done and have not come this way before. So think it not strange the things I have called you to do and the divine alignment and positioning I am performing in your lives.

Nevertheless and Behold I have called and positioned you for great exploits in this City of Mine called Houston and have chosen My anointed warriors in a unified manner to mobilize My Kingdom Church in Houston for a common cause. Stand, and all else stand, for I will be promoting those whom are Faithful and True; whom will stand in the good times as well as the not so good times. So Get Ready for many are called and few are chosen. For this is bigger than you, and I am pouring out the vision, plans, strategies, wisdom, understanding and will implement My plan through this group of Pioneers, Navigators and Forerunners. For Victory is Mine saith the Lord. And I choose My loved ones whom have accepted the call and do consider the cost, but count it all joy.

"Houston's Global Calling" is My cry going out through My Holy Spirit and I have assigned and charged My messenger angels to gather My special op's warriors from the North, South, East and West. For I have called My warriors to Houston; for marketplace, for education, for political...for ministry opportunities and have kept those whom have resided here from leaving. My ways are higher than your ways and you individually see through a glass dimly, however, when you join your dim lenses in a unified force together as one, you will clearly see the Promised Land of Houston I've called you to conquer. For My grace, favor and love will flow out of you to overcome the darkness in Houston. I will overtly and covertly send My warriors into ministries and churches through the region to unify the body of Christ for the advancement of The King and My Kingdom.

The Winepress is what you are experiencing at this time for I have heard your prayers ..."I want more of you Lord and am hungry for all you have for me Lord Jesus. And I will not be satisfied with the good, or acceptable but only the perfect 100 fold will of the Lord for my life." And I have given you the answer to this prayer is through the winepress. I plucked a cluster of grapes from various places to Houston, Texas whom are of different shapes, sizes, colors and backgrounds and I am making barrels of the finest wine which will be poured on my globe for a drink offering!
