Dear Faithful Intercessors,

First, I want to thank each and everyone of you for your diligence in keeping us covered in prayer. I could feel them as it was a VERY intense trip; both physically and spiritually.

I did make some excellent connections with ministries, as well in the political arena. The men and women that I met in Young Republicans were awesome. They were passionate, hardworking and had vision of a hope and a future for our nation.

Wednesday night I went with Terry Deckard of Exodus Force, and Judy Hayes to see Randy Demain in Frederick, Maryland. It was about the reset that the Lord wants to do in the body to prepare us for the harvest.

Thursday morning, May 1, the National Day of Prayer.

We toured the Capital, with the first stop in the House of Representatives, directly on the floor where they meet.

I anointed the seats and the podiums where the speakers sit and stand to conduct their business, as well as prayed while in there. I also anointed the hallways and the stair rails used by the Congressmen. When I signed up for the tour I had no idea that we would be actually on the floor of Congress!

We then went to see Senator Kay Bailey Hutchison to tour the capital and to the Senate. We rode the senators' subway, they all have to go through the hallways where we were. You guessed it, the anointing oil was flowing!

When we walked into the Senate Chambers there were no Senators in there.

Then Harry Reid (alone) walked in to submit a bill or something to that effect (I couldn't understand what he was saying.)

I found it very interesting, as we were there less than 10 minutes due to time constraints. I spoke to him (not personally) and told him, either you turn or you are OUT!

Several of you know that I had the same experience with Tom Daschle four years ago (2004) before the last election and he went OUT!

After the tours, we had lunch with several speakers 1) Angela McGlowen, author of Bamboozled  
2) Congressman Thaddeus McCotter 3) Grover Norquist author of Leave Us Alone

That night, Terry and I went to the Methodist Church with Dutch Sheets.  
All I can say is WOW!

We worshipped the Lord, then Dutch shared about his sabbatical and the vision of the five giants that he took out, each one with just one punch. Three of the five have come down. He also spoke of the remnant God released on him during that time. He then released the remnant on us; I in turn, release it on each of you. We then prayed and worshipped again.

Get ready for what God has in store for our nation. I was so impressed by the heart of the people that had come from all over our great nation to cry out for God!

Friday morning, May 2, we had a tour of the White House.

While we were there President Bush took off in Marine 1. It was very exciting. Again, I got to anoint & pray for our nation while in the White House.

I found out later on that day, the Prayer Strike team was right next to us praying as well. The prayer Strike Teams went to various locations. I have scanned to an attachment so you can see where they prayed and also pray in agreement with the prayer strike.

After the White House Tour we had lunch with Newt Gingrich. Have Vision! Be bold!  
Friday evening, I felt a release from going to the prayer meeting and met with the Young Republicans for their dinner. Once again, I was so impressed by the caliber of the men and women.

Saturday, we went to do a little sightseeing, but we were so tired that we only got off the bus at the Korean War Memorial and Arlington Cemetery for the changing of the guard at the Tomb of the Unknown Soldier. We saw WWII Veterans there as well as Navy Nurses celebrating 100 years of their organization. Everyone that I talked to was very patriotic and enthusiastic about our great nation.

Sunday morning, we filled packages and wrote cards for our troops that never get any packages from home. It was so exciting to see the teamwork and dedication to honor our troops. We even sent one to General Petraeus. We want our troops to know that we support them, unlike what the media is saying.

As I went about my days I met & heard of many more ministries that had gone to DC to pray for our nation. I heard many phenomenal stories of how God is supernaturally working everything out for His Glory.

We walked in much favor and strength that was not our own. The flights to and from Washington were smooth and on time. We arrived home very tired, but knew that we had accomplished all that we were called to do.

Karl, Devin and my father celebrated us by having a wonderful dinner waiting for us.

I want to thank each of you for your dedication and know the rewards for your faithfulness are coming forth. I pray no backlash of any sort, only blessings from the Most High.

To Him be all the glory, honor and praise!  
Victoria

Patrick Henry said, "It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the gospel of Jesus Christ!"

How great are His signs! and how mighty are His wonders! His kingdom is an everlasting kingdom, and His dominion is from generation to generation. Daniel 4:3
